TRIBOO

Acquisisce a Londra Koi Advertising

Triboo, e-commerce e advertising digitale, quotato sul mercato Mta di Borsa Italiana ha acquisito a Londra il 100% di Koi Advertising, che opera nel web marketing e advertising prevalentemente in Gran Bretagna, Australia, India, Indonesia e Sudafrica con un fatturato di circa 2,4 milioni di sterline.

The image shows a small, low-resolution thumbnail of a financial table, likely a stock market listing or a company's financial performance metrics. It contains several columns and rows of data, but the text is too small to be legible. The table appears to be organized into sections, possibly representing different financial categories or time periods.
